

15th Annual

World CB & CDx Summit Europe

Navigate European Regulations to Accelerate Patient Access to Personalised Drugs

**‘Need to Know’ Onsite
Information & Logistics**

Important! Non-UK Nationals

Please note that the travel authorisation policies around entering the United Kingdom are changing.

As of Wednesday April 2nd, all travellers who do not hold a UK passport or approved Visa will be required to obtain an Electronic Travel Authorisation (ETA) to enter the UK.

For further information on this policy and how this applies to you, please refer to the link below. Please note that ETA applications are typically processed within 1 day so if you have not yet obtained one, you still have time.

<https://www.gov.uk/guidance/apply-for-an-electronic-travel-authorisation-eta>

Conference Address

**The Novotel London West
1 Shortlands Hammersmith
International Ctre
London, W6 8DR**

Badges will be checked prior to boarding the buses.

Please RSVP to confirm your attendance [here](#). If you have not RSVP'd we cannot guarantee your place

1-On-1 Partnering Platform

(Reserved for Biopharma and Event Partners)

Attendees eligible to utilise this platform should have already received an email from CBCDX.partnering@inova-event.com with your login link. This platform is optimized to work on desktop, so we recommend using on your laptop ahead of the conference and switching to the onsite mobile app when you're at the event.

As of Wednesday April 2nd the platform will automatically schedule meetings based on the availability you have given through the platform.

Reminder: as this is a B2B platform, please ensure you choose "Targeted delegates" when reaching out to companies on the platform.

For support, email support@inova-event.com with the subject '15th CB & CDx Europe'.

Stay connected onsite:

- Download the mobile app: Android | iPhone.
- For support, email support@inova-event.com with the subject '15th CB & CDx Europe'.

Speaker Presentations & Feedback

Speaker presentations will be available after the close of the meeting, subject to speaker permission. The day after the conference ends, you will receive a short survey to complete from customersupport@hansonwade.com. Once completed, you will be granted early access to the presentations from the event.

Your feedback is extremely valuable to us as we endeavour to improve our events year on year.

If you have any questions about the event please do reach out to
tom.mitchell@hansonwade.com
