

Tumour Models Summit **NORDICS**

20+
Industry-Leading
Speakers

8+
Hours of
Networking

2
Days of Content
Free for Drug
Developers

2025 Attendee List Breakdown:

Job Titles Include:

- Associate Director - Business Development Discovery Services
- Associate Principal Scientist & Project Lead
- Business Development Manager
- Chief Business Officer
- Chief Executive Officer
- Chief Executive Officer & Co-Founder
- Chief Marketing Officer
- Chief Scientific Officer
- Chief Scientific Officer Research & Preclinical Development
- Chief Scientific Officer R&D
- Consultant & Business Liaison EU
- Director - Non-Clinical Department
- Director of Preclinical R&D
- Director, Molecular Biology and Chemistry
- Director Pharmacology Preclinical, Science
- Director Tumor Biology and Therapeutics
- Head of Immuno Oncology
- Head of Preclinical Development
- Head of Scientific Team
- Industrial PhD student Institute of Immunology and Microbiology
- Industrial Postdoctoral Scientist
- Postdoctoral Scientist
- PhD, Scientist Preclinical R&D
- Principal Scientist
- Principal Scientist Tumor Biology and Therapeutics
- Principal Scientist, Head of Translational Science Team R&D
- Professor Department of Laboratory Medicine
- Professor of Medicine, Institute Director
- Research Scientist Preclinical
- Research Scientist II Preclinical
- Research Scientist Tumor Biology and Therapeutics
- Researcher Cell Death and Childhood Cancers Team
- Scientist
- Scientist Cell Therapy Development and Production
- Scientist Preclinical In Vivo Pharmacology
- Scientist R&D
- Senior Director - Discovery Services & Business Development
- Senior Director of Program Management
- Senior Marketing Specialist
- Senior Research Scientist
- Senior Scientist
- Senior Scientist CMM
- Senior Scientist IVP
- Senior Scientist Process Development
- Senior Scientist R&D
- Senior Scientist Tumor Biology and Therapeutics
- Senior Vice President, Discovery, Preclinical Models & Services
- Vice President - Business Development
- Vice President of R&D

Selecting & Optimizing State-of-the-Art, Predictive, & Cost-Effective Models to Enhance Target Selection, Facilitate Biomarker Discovery & Achieve Clinical Translatability

9-10 April, 2025 | Stockholm, Sweden

2025 Attendee List Breakdown:

Companies Include:

- ADCendo
- Alentis Therapeutics
- Alesta Therapeutics
- Anocca
- BioInvent
- Bioneer
- Blue Wave Therapeutics
- CRCL
- CuraCell
- Curesponse
- GemPharmatech
- GenOway
- Genmab
- Hemispherian
- Hervolution Therapeutics
- HUB Organoids
- JJP Biologics
- Lead Biologics
- Loma Therapeutics
- Lund University
- Merus
- NEOGAP Therapeutics
- Nykode Therapeutics
- Orion Oyj
- Reaction Biology
- Reaction Biology
- Roche
- Ryvu Therapeutics
- Salipro Biotech
- Shanghai Lide Biotech
- SOLID Therapeutics
- SOTIO Biotech
- Southern Research
- Sprint Bioscience
- University of Gothenburg
- University of Sheffield
- Valo Therapeutics
- WuXi AppTec
